_____ Three year old FOUR days

_____ Four year old FOUR days

Pilgrim Community Preschool Behavior Policy

As a staff, we strive to model Christian behavior in our actions and attitudes. We guide the children toward positive behavior with praise, love and hugs. Preschool staff will use only positive guidance, redirection and the setting of clear-cut limits to foster the child's own ability to become self-disciplined. Teachers will encourage children to be fair, respect property, respect other people and learn to be responsible for their actions. Discipline involves teaching character and self-control. However, staff will not use physical punishment or abusive language, as these approaches teach children to respond in kind.

Teachers will guide children to develop self-control and orderly conduct in relationship to peers and adults. Aggressive physical behavior toward staff or children is unacceptable. Staff will intervene immediately when a child becomes physically aggressive to protect all of the children and encourage more acceptable behavior. To this end, teachers will show children positive alternatives rather than just telling children "no." Good behavior will be rewarded.

- The first step in our discipline procedure is to talk to the child about why their behavior is unacceptable and to redirect the child. If the behavior continues after the warning, the child will be given a time out.
- Time outs are a way for a child to calm down and regroup. Depending on the situation, the child may be separated from the other children in the classroom. They will always be supervised. The length of the time out equals the age of the child. For example, a three year old would sit in time out for three minutes. A four year old would sit in time out for four minutes.
- A child will be sent to the Director's office for deliberate disobedience, defiance, destruction and/or aggression. An incident report will be sent home explaining the situation.
- Biting is an example of unacceptable behavior. For the safety of the other children, if a child continues to bite, more than three times, parents will be requested to meet with the Director.
- Severe discipline problems will require a meeting with the Director and family members and possible observing/counseling through the Lexington District One Preschool Psychologist. If a family is unwilling to address the situation, the child will be asked to leave the school.

Pilgrim Community Preschool Health Policy

Observing good health practices will protect children and staff. The cooperation of parents in following health policies is essential. An infected child can spread germs to other children and teachers. Germs can be left on equipment. The risk of infection is higher for toddlers because they naturally put objects in their mouths and are not yet toilet-trained.

There will be times when a child may not be extremely ill but may not feel well enough to interact with groups of children. **Parents should use their judgment and consult with the child's teacher when in doubt.**

Other times, a child may be too ill to attend childcare. To cut down on cross-infection and to ensure a speedy recovery, we are unable to care for children with any of the following symptoms:

- **Fever**
- **Conjunctivitis (pink eye)-and any undiagnosed discharge of the eye**
- **Rashes or mouth sores that cannot be identified or that have not been treated by a physician**
- **Impetigo**
- **Diarrhea**
- **Vomiting**
- **Severe cold with fever, sneezing and nose drainage**
- **Head Lice**
- **Contagious diseases (mumps, measles, scabies, chicken pox, etc.)**

Parents will be notified immediately to pick up the child if any of the above symptoms occur. The child will be separated from the class to prevent spreading of germs. **A prompt response by parents is essential.** A reasonable amount of time (**approximately one hour**) will be allowed for parents to pick up the child. If parents cannot be reached, or do not respond to the pick up call, the emergency contact on the child's enrollment form will be notified. In the event that a child is exposed to a communicable disease away from the program, we ask that parents notify us immediately. We can then determine the wisest course of action regarding exclusion from the program and notification of other parents.

If a child is kept home due to illness during the week, we ask that parents contact the program to let us know.

After a child has been ill, he/she may return when all of the following conditions are met:

- **Child has been symptom free and fever free for 24 hours**
- **Child can participate comfortably in all usual program activities**
- **Child has been treated for symptoms, with medication, for at least 24 hours**
- **Child with bacterial infections or strep throat must be fever free for at least 24 hours, and on medication for a full 24 hours**

Please note that it is the decision of the Director, in consultation with a child's teacher, as to whether a child should stay at the program for the day or needs to go home to rest.

Our **Mission** at Pilgrim Community Preschool is to provide a fun, safe, loving Christian environment, which inspires, uplifts, and encourages families, and where children grow and develop an awareness of God's world and His love for them. The Parent's Pledge was developed with our mission in mind. It is our hope that by clearly stating this information at registration, we will foster communication, making us more able to care for all of our families and maintain the quality of Pilgrim Community Preschool. A copy of the Parent's Pledge, Behavior Policy and Health Policy are included in the Parent Handbook.

PARENT'S PLEDGE

I am aware of the following:

Pilgrim Community Preschool, hereafter referred to as PCP, is a Christian school.

Total registration fees are NON-REFUNDABLE.

The registration fee is a separate fee and **may not** be used in place of any tuition payments.

If I chose to withdraw my child from PCP, I will notify the preschool office **in writing a minimum of 30 days BEFORE the date of withdrawal.** If I withdraw my child giving less than one month's notice, I will pay to the preschool the entire following month's tuition.

The following information will be published in the PCP directory, which is given to preschool families: parents' names, child's name, address, and phone number.

If my child is in a 3 year old classroom and is not potty trained, my assistance may be needed in my child's classroom.

If my child is enrolled in the 4 year old program, they must be potty trained before school begins.

I pledge to support Pilgrim Community Preschool in the following ways:

If my child has food allergies or if I have dietary concerns, I will notify my child's teacher of such in writing, and I will send my child's snack with them to school.

I will share pertinent health information about my child with my child's teacher in writing. I may be asked to provide information from my child's doctor.

I will follow PCP's health policy, and I will not knowingly send my child to school when they are sick.

If I have concerns, I will discuss them with my child's teacher or the preschool administration (director or administrative assistant).

I will respect the privacy of preschool families.

I will pay my tuition on the first of each month, and I will pay a late fee of \$20 if my tuition is paid after the 5th of the month. I understand that if payment is not made by the 30th of the month, the student's spot may be forfeited.

I have read and agree to the information stated above in the Parent's Pledge.
