Ministry Title

VBS Craft Coordinator/Assistant

Position Purpose

Arts and crafts are an important medium for creative expression for children and for reinforcing the Bible lesson each day of VBS.

Ministry Description

Coordinator:

1. Select craft projects from VBS curriculum. Sample project should be made in order to determine difficulty and interest for children.
2. Determine supplies needed and purchase those that aren't available in the Resource Center.
3. Organize procedures and directions for crafts.
4. Designate specific tasks to craft assistants.
5. Oversee for smooth operation during VBS week.

Assistants:

1. Help craft coordinator organize and distribute materials for craft projects.
2. Work with the students as they do each craft project.

Timeframe

This is a five day, evening commitment during one week of the summer. The time commitment also includes preplanning for the coordinator beginning two months before VBS, and a meeting for all craft assistants two weeks before VBS. The amount of time depends on the projects selected.

Skills to Be Used/Developed

You will use your creative and organizational talents.

Training/Resources

Suggestions for crafts are included in the VBS curriculum. Additional ideas are available from the library and resource center.
